## LOVE IS FOR EVERYBODY

The amazing day of Saint Valentine in the little and unknown high school called *Gravity Falls* there were 2 girls called Jessica Jones and Claire Dunphi . Jessica had long, brown and straight hair and Claire had long, blonde and straight hair. Jessica was 15 years old and Claire was 15 years old, too. Claire and Jessica were gay. They were victims of bullying. The bullies were Tania (16 years old) and Deathstroke (16 years old). Tania and Deathstroke repeated the level. They were very bad to the couple who were so sad because of the bullies.

The students of the school didn't know that Jessica and Claire were gay. The bullies said in all the school that Jessica and Claire were gay. But the students were in favour of Jessica and Claire.

After, the teachers told the bullies off.

Finally, the teachers decided to expel the bullies but Claire and Jessica asked the teachers not to expel the bullies because the couple realised that the bullies were sorry for their behaviour.

At the end, everyone became friends.

Remember kids, the gays deserve to be treated the same as everyone.
